BYLAWS OF RENAISSANCE ESTATES OWNERS ASSOCIATION

ARTICLE I

NAME AND LOCATION

1.1 **Name and Location.** The name of the corporation is RENAISSANCE ESTATES OWNERS ASSOCIATION, hereinafter referred to as the "Association." The principal office of the Association shall be in Riverside County, California, or at any other place as may be designated by the Board.

ARTICLE II

DEFINITIONS

2.1 **Incorporation.** The definitions contained in the Declaration are incorporated by reference herein.

2.2 **Declaration.** "Declaration" shall mean and refer to the Amended and Restated Declaration of Covenants, Conditions, Restrictions and Reservation of Easements for Renaissance Estates applicable to the property recorded in Riverside County and subsequent amendments thereto.

ARTICLE III

MEETING OF MEMBERS AND VOTING

3.1 **Annual Meeting.** An annual meeting of the Members shall be held in approximately May of each year at a date, time and place designed by the Board of Directors.

3.2 **Special Meetings.** Special meetings of the Members shall be scheduled by the Board in response to the vote of a majority of the Board of Directors, or in response to a request by the Chairman of the Board, the President, or upon written request of the Members representing five percent (5%) of the total voting power of the Association.

3.3 **Notice and Place of Meetings.** Written notice of each meeting of the Members, annual or special, shall be given not less than 10 or more than 90 days before the date of the meeting to each member who, on the record date for notice of the meeting, is entitled to vote thereat. Notice shall be given personally, by electronic transmission by the corporation or by mail or other means of written communication, addressed to a member at the address of the member appearing on the books of the corporation or given by the member to the corporation for purpose of notice. Provided, however, that if notice is given by mail, and the notice is not mailed by first-class, registered or certified mail, that notice shall be given not less than 20 days before the meeting. Notice by electronic transmission must satisfy the requirements of Corporations Code § 7511 or any successor statute.

The notice shall specify the place, day and hour of the meeting, and, in the case of a special meeting, the purpose of the meeting. If action is proposed to be taken at any meeting for approval for any of the following proposals, the notice shall also state the general nature of the proposal. Member action on such items is invalid unless the notice or written waiver of notice states the general nature of the proposal(s): (a) removing a director without cause; (b) filling vacancies in the Board of Directors by the Members; (c) amending the Articles of Incorporation; (d) approving a contract or transaction in which a director has a material financial interest. Meetings shall be held within the Project or at a meeting place within the same County reasonably close to the project.

3.4 Quorum. The presence either in person or by proxy, at any meeting, of Members entitled to cast **thirty-three percent (33%)** of the total voting power of the Association (excluding the number of votes as to which voting rights are suspended at the time of the subject meeting), shall constitute a quorum for any action except as otherwise provided in the Declaration, or these Bylaws. If, however, such quorum shall not be present or represented at any meeting, a majority of the Members entitled to vote thereat shall have power to adjourn the meeting to a date not less than five (5) days and not more than thirty (30) days later, without notice other than announcement at the meeting, and at the adjourned meeting the quorum requirement shall be reduced to twenty-five percent (25%) of the total voting power of the Association (excluding the number of votes as to which voting rights are suspended at the time of the subject meeting).

3.5 Proxies. At all meetings of Members, each Member may vote in person, by secret ballot or by proxy. Every proxy shall be revocable and, except as may otherwise be provided by law, shall automatically cease upon conveyance by the Member of his or her Lot, or upon receipt of written notice by the Secretary of the Board of the death or judicially declared incompetence of a Member prior to the counting of the vote, or upon the expiration of eleven (11) months from the date of the proxy. Any form of proxy distributed by any person to the membership of the Association shall afford the opportunity to specify a choice between approval and disapproval of each matter or group of matters to be acted upon. The proxy shall provide that, where the Member specifies a choice, the vote shall be cast in accordance with that choice. The proxy also shall identify the person or persons authorized to exercise the proxy and the length of time it will be valid. In addition, voting by proxy shall comply with any other applicable requirements of California Corporations Code §§7514 and 7613 and Civil Code § 1363.03.

3.6 Membership and Voting. The Association shall have two (2) classes of voting membership:

Class A. Class A Members shall be all Owners with the exception of the Declarant (as defined in the Declaration) and shall be entitled to one (1) vote for each Lot owned. When more than one (1) person holds an interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Class B. The Class B Member shall be the Declarant, who's voting rights shall be the same as for Class A memberships, except that Class B Member may triple its votes for each Lot owned. The Class B membership shall cease and be converted to Class A memberships upon the happening of either of the following events, whichever occurs earlier:

(a). On the second anniversary of the first conveyance of a subdivision interest in the most recent phase of the Project; or

(b). On the fourth anniversary of the first conveyance of a subdivision interest in the first phase of the Project.

Any action by the Association which must have the approval of the Members before being undertaken shall require the vote of a majority of a quorum of each class of membership, or the written assent of a majority of each class of membership. Where the vote or written assent of each class of membership is required, any requirement that the vote of Declarant be excluded is not applicable, except as provided in the Declaration. After the conversion of Class B membership to Class A membership, any provision herein requiring the approval of Members other than Declarant, except as provided otherwise in the Declaration, shall mean the vote of a majority of a quorum, or written assent of a majority of the total voting power of the Association (including Declarant vote(s)) and the vote of a majority of a quorum, or written assent of a majority of the total voting power of Members other than the Declarant.

3.7 Eligibility to Vote. Voting rights attributable to Lots shall not vest until Assessments against those Lots have been levied by the Association. Only Members in good standing shall be entitled to vote on any issue or matter presented to the Members for approval. In order to be in good standing, a Member must be current in the payment of all Assessments levied against the Member's Lot and not subject to any suspension of voting privileges as a result of any disciplinary proceeding conducted in accordance with the Declaration. A Member's good standing shall be determined as of the record date established in accordance with section 3.8. Unless required by law, the Association shall not be obligated to conduct a hearing in order to suspend a Member's voting privileges on the basis of the nonpayment of Assessments, although a delinquent Member shall be entitled to request such a hearing. A Member shall maintain good standing if said standing has not been suspended by the provisions of these Bylaws.

3.8 Record Dates.

A. Record Dates Established by the Board. For the purpose of determining which Members are entitled to receive notice of any meeting, vote, act by written ballot without a meeting, or exercise any rights in respect to any other lawful action, the Board may fix, in advance, a "record date" and only Members of record on the date so fixed are entitled to receive notice, to vote, or to take action by written ballot or otherwise, as the case may be, notwithstanding any transfer of any membership on the books of the Association after the record date, except as otherwise provided in the Articles, by agreement, or in the California Nonprofit Mutual Benefit Corporation Law. The record dates established by the Board pursuant to this section shall be as follows:

(1). **Record Date for Notice of Meetings.** In the case of determining those Members entitled to notice of a meeting, the record date shall be no more than ninety (90) nor less than ten (10) days before the date of the meeting;

B. Failure of Board to Fix a Record Date. If the Board, for any reason, fails to establish a record date, the following rules shall apply:

(1). **Record Date for Notice of Meetings.** The record date for determining those Members entitled to receive notice of a meeting of Members shall be the business day preceding the day on which notice is given, or, if notice is waived, the business day preceding the day on which the meeting is held.

(2) **Record Date for Voting.** The record date for determining those Members entitled to vote at a meeting of Members shall be the day of the meeting, or in the case of an adjourned meeting, the day of the adjourned meeting.

(3). **Record Date for Action by Written Ballot without Meeting.** The record date for determining those Members entitled to vote by written ballot on proposed Association actions without a meeting, when no prior action by the Board has been taken, shall be the day on which the first written ballot is mailed or solicited. When prior action of the Board has been taken, it shall be the day on which the Board adopts the resolution relating to that action.

(4). **Record Date for Other Lawful Action.** The record date for determining those Members entitled to exercise any rights in respect to any other lawful action shall be no more than sixty (60) days prior to the date of such other action.

(5). **"Record Date" Means as of Close of Business.** For purposes of this subparagraph B, a person holding a membership as of the close of business on the record date shall be deemed the Member of record.

3.9 Action Without Meeting. Where allowed by law, any action that may be taken at any annual or special meeting of Members (except the election of directors) may be taken without a meeting in accordance with the provisions of California Corporations Code §§ 7513 and 7516.

3.10 **Conduct of Meetings.** Meetings of the membership of the Association shall be conducted in accordance with a recognized system of parliamentary procedure or such parliamentary procedures as the Association may adopt. Notwithstanding any other provision of law, notice of meetings of the Members shall specify those matters the Board intends to present for action by the Members, but, except as otherwise provided by law, any proper matter may be presented at the meeting for action. Members of the Association shall have access to Association records in accordance with Article 3 (commencing with § 8330) of Chapter 13 of Part 3 of Title 1 of the Corporations Code. Any Member shall be permitted to speak at a meeting of the Association Members; however, the Board of Directors may establish a reasonable time limit for Members to speak before a meeting of the Association Members.

ARTICLE IV

BOARD OF DIRECTORS; SELECTION; TERM OF OFFICE

4.1 **General.** The activities and affairs of this Association shall be administered and overseen by, and the powers of the Association exercised under the direction of, a Board of Directors. 4.4 **Removal; Vacancies.** Unless the entire Board is removed from office by the vote of Association Members, an individual director shall not be removed prior to the expiration of his or her term of office if the votes cast against his/her removal would be sufficient to elect him/her if voted cumulatively at an election at which the same total number of votes were cast and the entire number of directors authorized at the time of the most recent election of directors were then being elected.

In the event of death or resignation of a director, the vacancy shall be filled by approval of the Board at a duly held meeting, or by the sole remaining director. The successor director shall serve for the unexpired term of his/her predecessor. The Members may elect a director at any time to fill any vacancy not filled by the directors. A vacancy created by removal of a director can be filled only by election of the Members.

4.5 **Compensation.** No director shall receive compensation for any service rendered to the Association. However, any director may be reimbursed for his or her actual expenses, if reasonable, that are incurred in the performance of his/her duties.

4.6 **Indemnification of Corporate Agents.** The Association shall indemnify any present or former director, officer, employee or other agent of the Association to the fullest extent authorized under California Corporations Code § 7237, or any successor statute, and may advance to any such person funds to pay expenses that may be incurred in defending any action or proceeding on receipt of an undertaking by or on behalf of such person to repay such amount unless it is ultimately determined that such person was entitled to indemnification under this provision.

ARTICLE V

Notice to the Members of the meeting for election of directors shall include the names of all those who are nominees at the time the notice is sent. Nominations may also be made from the floor at the annual meeting. Write-in candidates are also permitted.

5.2 **Election.** Election of the Board shall be by secret ballot. If more than one seat on the Board is up for election then cumulative voting shall be used, and members shall be entitled to cast as many votes as the number of directors to be elected. The persons receiving the largest number of votes shall be elected.

ARTICLE VI

MEETINGS OF DIRECTORS

6.1 **Regular Meetings.** Regular meetings of the Board of Directors shall be held at least quarterly at such place and at such hour as may be fixed from time to time by resolution of the Board. Notice of the time and place of an open session Board meeting shall be posted at a prominent place within the Common Area or mailed to any Member who had requested notification of Board meetings, at the address requested by the Member. 6.3 Emergency Meetings. An emergency meeting of the Board of Directors may be called by the president, or by any two directors other than the president, if there are circumstances that could not have been reasonably foreseen which require immediate attention and possible action by the Board, and which of necessity make it impracticable to provide the notices required by section 6.1. Notice to Members of an emergency meeting is not required.

6.4 Quorum. A majority of the directors then in office but not less than two (2) shall constitute a quorum for the transaction of business. Every act performed or decision made by a majority of the directors present at a duly held meeting at which a quorum is present shall be regarded as the act of the Board. 6.5 Open Meetings. Except as provided in sections 6.6 and 6.7, all meetings of the Board shall be open to all Members, but Members other than directors may not participate in any discussion or deliberation unless expressly so authorized by a majority of a quorum of the Board. However, the Board shall establish a reasonable time limit for all Members of the Association to speak to the Board of Directors at any meeting of the Board of Directors, and permit any Member of the Association to speak at any open meeting of the Board of Directors within such time limit.

Any matter discussed in executive session shall be generally noted in the minutes of the next open session Board meeting. No notice need be given to the members prior to an executive session Board meeting. The Board may hold an executive session emergency meeting if circumstances require, as authorized by section 6.3.

The waiver of notice or consent need not specify the purpose of the meeting. Notice of a meeting shall also be deemed given to any director who attends the meeting.

6.9 Notice of Adjourned Meeting. Notice of the time and place of holding an adjourned meeting need not be given, unless the meeting is adjourned for more than twenty-four (24) hours, in which case personal notice of the time and place shall be given before the time of the adjourned meeting to the directors who were not present at the time of the adjournment, and shall be posted at a prominent place within the Common Area. If the Common Area consists only of an easement or is otherwise unsuitable for posting of such notice, the Board shall communicate the notice of the time and place of such meeting by any means it deems appropriate.

6.10 Action without Meeting. Any action required or permitted to be taken by the Board of Directors may be taken without a meeting (and without notice to Members provided for in section 6.2), if all members of the Board, individually or collectively, consent in writing to that action. Such action by written consent shall have the same force and effect as a unanimous vote of the Board of Directors. Such written consent or consents shall be filed with the minutes of the proceedings of the Board.

6.11 Definition of Meeting. "Meeting" includes any congregation of a majority of the members of the Board at the same time and place to hear, discuss, or deliberate upon any item of business scheduled to be heard by the Board.

The minutes, or minutes proposed for adoption that are marked to include draft status, or a summary of minutes of any meeting of the Board, other than an executive session, shall be available to Members within thirty (30) days of the meeting. The minutes, proposed minutes or summary (other than for an executive session) shall be distributed to any Member on request and on reimbursement of the Association's costs in making that distribution.

FINANCIAL AND REPORTING REQUIREMENTS

12.1 Budgets, Financial Statements and Reports. The Association shall cause to be prepared and distributed budgets, financial statements, and reports to each Member as follows:

(1) A pro forma operating budget for each fiscal year shall be distributed not less than thirty (30) nor more than ninety (90) days before the beginning of the fiscal year consisting of at least the following:

- (a). Estimated revenue and expenses on an accrual basis;
- (b). A summary of the Association's reserves based upon the most recent review or study conducted pursuant to section 12.2, which shall be printed in bold type and include all of the following:
 - (i) The current estimated replacement cost, estimated remaining life, and estimated useful life of each Major Component;
 - (ii) As of the end of the fiscal year for which the study is prepared:

A). The current estimate of the amount of cash reserves necessary to repair, replace, restore, or maintain the Major Components;

(B). The current amount of accumulated cash reserves actually set aside to repair, replace, restore, or maintain Major Components:

(C). If applicable, the amount of funds received from either a compensatory damage award or settlement to the Association from any person or entity for injuries to property, real or personal, arising out of any construction or design defects, and the expenditure or disposition of funds, including the amounts expended for the direct and indirect costs of repair of construction or design defects. These amounts shall be reported at the end of the fiscal year for which the study is prepared as separate line items under cash reserves pursuant to clause (B).

(D). The percentage that accumulated cash reserves actually set aside is of the current estimate of cash reserves necessary.

(iii). A statement as to whether the Board has determined or anticipates that the levy of one or more special Assessment will be required to repair, replace, or restore any Major Component or to provide adequate reserves therefore;

(iv). A general statement setting forth the procedures used in the calculation and establishment of those reserves to defray the future repair, replacement or additions of those Major Components that the Association is obligated to maintain.

In lieu of the distribution of the pro forma operating budget, the board may elect to distribute a summary of the items described herein above to all the Members, with written notice that the budget is available at the business office of the Association or at another suitable location within the boundaries of the development, and that copies will be provided upon request and at the expense of the Association. Members shall be notified in writing at the time that the pro forma budget is distributed, or at the time of any general mailing to the entire membership, of their right to have copies of the minutes of meetings, and how and where those minutes may be obtained. If any Member requests a copy of the pro forma operating budget, including the items referred to above, to be mailed to the Member, the Association shall provide the copy to the Member by first-class United States mail at the expense of the Association and delivered within five (5) days. The written notice that is distributed to each of the Association Members shall be in at least 10-point bold type on the front page of the summary of the statement;

(2). A report consisting of the following shall be distributed within one hundred twenty (120) days after the close of the fiscal year: (a) a balance sheet as of the end of the fiscal year; (b) an operating (income) statement for the fiscal year; (c) a statement of changes in financial position for the fiscal year; (d) for any fiscal year in which the gross income to the Association exceeds Seventy-Five Thousand Dollars (\$75,000.00), a copy of a review of the financial statement of the Association prepared in accordance with generally accepted accounting principles by a licensee of the California State Board of Accountancy; (e) any information required to be reported under section 8322 of the California Corporations Code;

(3). If the report referred to in (2) above is not prepared by an independent accountant, it shall be accompanied by the certificate of an authorized officer of the Association that the statement was prepared from the books and records of the Association without independent audit or review;

(4). A statement describing the Association's policies and practices in enforcing lien rights, foreclosures, or other legal remedies for default in payment of its Assessments against its Members shall be distributed annually to the Members not less than thirty (30), but no more than ninety (90) days immediately preceding the beginning of the Association's fiscal year. The notice shall be printed in at least 10-point type.

(5). A summary of the Association's insurance policies as set forth in and required by Civil Code § 1365 shall be distributed to the Members not less than thirty (30) but no more than ninety (90) days preceding the beginning of the Association's fiscal year.

12.2 Reserve Studies. At least every three years the Board shall cause a study of the reserve account requirements of the Project to be conducted, including a reasonably competent and diligent visual inspection of the accessible areas of the Major Components which the Association is obligated to repair, replace, restore or maintain, if the current replacement value of said Major Components is equal to or greater than one-half of the gross budget of the Association, excluding the Association's reserve account for that period. The Board shall review this study annually and shall consider and implement necessary adjustments to the Board's analysis of the reserve account requirements as a result of that review.

12.3 Reserve Account Fund Management. The Board shall not expend funds designated as reserve funds for any purpose other than the repair, restoration, replacement, or maintenance of Major Components which the Association is obligated to repair, restore, replace, or maintain ("Association Major Components") and for which the reserve fund was established, or litigation involving Association Major Components. However, the Board may authorize the temporary transfer of money from a reserve fund to the Association's general operating fund to meet short-term cash flow requirements or other expenses, provided that the Board has complied with any statutory requirements applicable to borrowing funds from reserves.

12.4 Reserve Account Withdrawal Restrictions. At least two (2) signatures shall be required for the withdrawal of monies from the Association's reserve accounts; signatures shall be those of members of the Board or one (1) member of the Board and one (1) officer who is not a member of the Board.

12.5 Review of Financial Records. The Board shall review on at least a quarterly basis a current reconciliation of the Association's operating and reserve accounts, the current year's actual reserve revenues and expenses compared to the current year's budget, and an income and expense statement for the Association's operating and reserve accounts. In addition, the Board shall review the latest account statements prepared by the financial institutions where the Association has its operating and reserve accounts. For purposes herein, "reserve accounts" shall mean monies that the Association's Board has identified for use to defray the future repair or replacement of, or additions to, those Major Components which the Association is obligated to maintain.

12.6 Future Changes in Financial Records and Reserve Account Requirements. The provisions of subsections 12.1-12.5 incorporate the statutory requirements of California Civil Code

1365.5. If said § 1365.5 is amended in any manner, said sections shall be amended in the same manner without the necessity of amending these Bylaws.

However, the percentage of voting power necessary to amend a specific clause or provision shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause.
